

Directions

→ Approaching from the A14 motorway:

After departing in the direction of Mutzschen/Oschatz, turn right toward Mutzschen/Wermsdorf. You will pass through the cities of Wermsdorf und Lampersdorf.

After entering the city limits of Oschatz, turn right in the direction of the train station. Continue to drive straight. You will pass two traffic signals for pedestrians and two traffic signals governing intersections.

Thereafter, the street turns into the Bahnhofstraße (Train Station Road). A discount market is located on the left. Turn right here in the direction of the train station.

After about 25 m a large, bright building can be seen on the left-hand side. Oschatzer Waagen GmbH is located in a building behind the intersection.
