

Directions

→ Approaching from the A4 motorway:

After departing to the north in the direction of Döbeln, turn right onto B 169 in the direction of Riesa. After about 30km, turn left onto the branching road in the direction of Oschatz (before encountering the city limits of Salbitz).

After entering the city limits of Oschatz, continue to drive along B 6 in the direction of the main city. Immediately after crossing the train tracks, turn in the direction of the train station. You will come to a T intersection. Turn right here in the direction of the train station.

After about 200 m you will see a large, bright building on the left-hand side. Oschatzer Waagen GmbH is located in a building behind the intersection.
